

Questionnaire for students

Dear student

Feedback on my teaching would be much appreciated!

The survey is voluntary and anonymous: please *don't* give any personal details in this questionnaire.

Please remember the following when completing the questionnaire:

- You are asked to evaluate the lessons using a series of statements. Read each statement carefully and choose the answer you think fits best for you. It's about your own personal opinion, so there are no right or wrong answers.
- Tick the box that corresponds to the answer you choose.
- Please tick only **one** box in each line.
- Please use a dark pen to fill in the questionnaire.

This **example** shows you how it works:

Indicate how much you agree with the following statements:

I usually understand what we go through in class Disagree Tend to disagree Tend to agree Agree

If you want to change your answer, you make it invalid by completing filling the box you had checked and put a cross for your new answer – like this:

I usually understand what we go through in class

Please give your opinion on the lessons:
